

Vaccination Q & A:
with
Dr. Sherri Tenpenny

Cleveland osteopathic physician and researcher,
Dr. Sherri Tenpenny, author of
Fowl: Bird Flu--It's not what you think,
will share the highlights of her research into
vaccine history and the latest in new vaccines
currently recommended by the CDC.

Admission:
\$10/person
\$15/couple

The presentation will be 30 to 40 minutes followed by two full hours of questions and answers. Dr. Tenpenny is prepared to address the vaccine and health-related concerns of parents and is qualified to answer pointed questions from the public health community—everyone with opinions or questions about vaccines will be rewarded by participating in this lively and informative discussion.

Sunday, March 9, 2008
2 - 5 PM

Woman's Club of Spokane
1428 w. 9th Ave.
Spokane, Washington

Directions: I-90 to Maple St. exit in Spokane. Head south at bottom of exit ramp. Go four blocks to 9th Ave. Take a left and go one block to Walnut Street. The Woman's Club of Spokane is the historic brick building on the NE corner of W 9th Avenue and Walnut. The words, Womans Club, are painted in large letters above the front door on W 9th Avenue. The Vaccination Q & A will be held in the Rose Room, lower level.

**Dr. Sherri Tenpenny is one of the country's most
sought after speakers. Visit her websites:**
